CONSENT ORDER

TO PRACTICE NURSING IN THE
STATE OF NEW JERSEY

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of information indicating that that respondent was charged with wrongfully obtaining funds from the Pemberton Public Schools Free and Reduced Meals Program between October 5, 2009 and June 30, 2010. An Accusation was filed in 2014 in the Superior Court of New Jersey, County of Burlington, alleging that respondent wrongfully created the impression that her income was less than her actual income in

order to obtain funds in excess of \$500. Respondent has since been accepted into the Pre-Trial Intervention Program.

The Board finds that respondent's wrongfully obtaining benefits under the Free and Reduced Meals Program by providing inaccurate information constitutes engaging in acts constituting an offense relating adversely to the practice of nursing within the intendment of N.J.S.A. 45:1-21(f).

The parties desiring to resolve this matter without further proceedings and without admissions, and the Board finding that the within order is sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS, ON THIS 21st DAY OF April, 2015

HEREBY ORDERED AND AGREED THAT:

1. A reprimand is hereby imposed for respondent's violation of N.J.S.A. 45:1-21(f).
